

Emily Lund

JEWELRY ARTIST

WORK EXPERIENCE

JEWELRY DESIGNER

Lashbrook Designs | Jun 2015 - Jun 2016, Aug 2017 - Oct 2021

- Helped design a line of laser carved engravings
- Customized and designed fine jewelry incorporating alternative materials such as Zirconium, Tantalum, Hardwoods, and Meteorite
- Collaborated with a team of five to create an engagement ring line for Rosie Ray Jewelry
- Worked closely with jewelers and customer service representatives to design innovative pieces of jewelry
- Maintained and operated wax 3D printers (Projet MJP2500W, Solidscape MAX2)

JEWELRY INSTRUCTOR

Upward Bound USU Eastern | Summer 2019

- Created curriculum for a six week introductory jewelry course for high school age students
- Supervised and instructed 28 students in tool safety and various small metals techniques

BENCH JEWELER

Lashbrook Designs | Jun 2016 - Aug 2017

- Responsible for all precious metal casting and clean-up
- Precious metal mokume fusing and twisting for all solid bands and inlays of various sizes
- Finishing precious and alternative metal rings
